Oh my gosh, I just studied through my lunch!

Parole at last!

"OH NO! We're late again."

"Does she or doesn't she?"

"You'll never know!"

Take a look at that!

Welcome, Stardom!

What do you mean, I can't keep a secret?

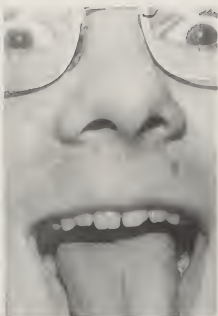

How did YOU ever get in there?

Sing, Teddy, Sing!

It's growing!!

AH-HEH!

Why can't I have a piece of the action?

I told you there wasn't any school today.

I think I'm beginning to understand.

What do you know, Joe?

Ready for takeoff.

Do I really want Coach Scyoc in my wedding?

I wonder if he noticed me.

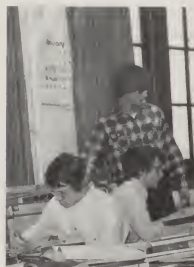

"Don't look now, but . . ."

Then be that way!

"Who's got the comlx?"

"Right on the dotted line . . ."

# DECISION AT METAMORA

The Marquette Explorers ended their '75 season with a fine 9-1-1 record. Because of this achievement they were invited to match their strength against Metamora in the Class 3A Playoffs on November 5th. Although they were defeated, the Explorers scored more points against Metamora than any other team. Metamora went on to win the state championship.

### CREOSOTE CHANGES

Riding a blue-green horse through time  
Looking for something resembling a rhyme  
Various phases of life that we find  
Clutching our souls and shaping our minds

Various phases of life that are dead  
More that we think of them, more to be said  
Riding along on a road that is red  
Nothing to do but to move straight ahead.

Tom Lanham
